## RADIO SHOW PROPOSAL

CISM is a volunteer operated community station. Our mission is to strengthen and enrich the Smithers community by delivering volunteer produced radio programming. With this in mind, we give priority to programming that:

- Is produced by groups, not individuals
- Has local content and roots in the listening community
- Includes a diversity of grassroots voices
- Reflects emerging and/or underrepresented communities
- Is educational and inspiring
- Is produced live
- Is not for profit
- Promotes technical skill-sharing
- Respects its audience
- Plays music that is not available on existing stations (No Top 40!)
- Commits to weekly programming of 2-3hrs in length

Please use this form to tell us how your proposed programming will meet our mission and programming priorities.
